portion stored in memory also having been encoded using a second CODEC different from the identified CODEC and stored in the memory thereafter.” (as from claim 1, similar limitations in each independent claim)

This subject matter, when considering the claim as a whole, is not found in the prior art nor is it obvious in view of the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
